AFTERCARE
DEVELOPMENT DIRECTOR

SAFE HOUSE PROJECT

Alia is the Aftercare Development Director for Safe House project and a survivor underage sex trafficking and adult sexual exploitation. She also serves as a member of the California State Commercial Sexual Exploitation of a Child (CSEC) Advisory Board. In this capacity, she endeavors to influence the policies and procedures involved in the identification and care of today's survivors. Alia believes restorative care is essential to the healing of those who have experienced sexual exploitation and that no survivor is ever too far or too gone to find complete healing.
